

WELCOME TO VISUAL ART LESSON 1.0

Slide #2:
A basic lesson with no software specific functions added. In this lesson students will visually experience a glossary of painting and drawing!

Slide #3:
An Interactive Whiteboard Lesson called Medium Madness!
In this lesson students can choose mediums of different types and drag them to the corresponding work of art. Mediums that are used to create the work of art will spin and land on the correct piece! Mediums that are not used to create the work of art will bounce back so TRY AGAIN!

Slide #4:
An Interactive Whiteboard Lesson called What am I?
In this lesson students can choose a painting or drawing from the bottom of the page and drag to the correct colored box labeled painting or drawing. Images will stack and remain in boxes if correct! This is a great way to review famous artist researched in previous lessons!
